Good afternoon,

I have attached a chart which reflects the cleaning reports which I have been receiving from Envirovantage as well as some pictures of their 'tracking system'.

I have requested additional info pertaining to clearances from the Consultants in an easier to manage format. I will send that when I get it.

I have also requested a status report on the Risk Assessment for the Commercial Side of the building.

Thanks,
Phil

The Right-To-Know Law (RSA 91-A) provides that most e-mail communications, to or from City employees and City volunteers regarding the business of the City of Manchester, are government records available to the public upon request.
